## Using Google Jamboard

Step 1 - Open Jamboard

Log into your **East Islip Google account** through **Classlink**.

Click on the **Google Apps** icon from your **Classlink dashboard**.

From the **Google Apps dashboard**, click the icon for **Jamboard** to open the **App**.

Step 2 - Create Your Jam

Use the **orange + icon** on the lower right corner of the screen to **create** a new **Jam**.

Name your **Jam** if you want to save it **>** click in the **Name field** in the top left corner of your **Jam** screen and type your desired **filename**.

Step 4 - Share Your Jam

- To invite participants to **View / Collaborate** on your **Jam**, use the blue **Share** button in the top-right part of the screen.

- You can then use the standard **Google Share Settings** to **share** your **Jam** with whoever you would like. Give them **Edit access** to draw on your boards with you, or **restrict** them to **View only**.

Step 5 - Save Your Jam

- Google automatically **Saves** your **Jam**, but you can **download a copy** too.

- Click the **Ellipsis** next to the **Share** button. You can then either **download** the **Jam** as a **PDF** or as an **Image** file.
