

Establishing an account at www.myschoolbucks.com:

- You will need your child's student ID number, which can be requested during the account opening process. This is the

same student ID number used for other school activities.

- Go to the district website at www.eischools.org, then click on Parent link, click on the link to MySchoolBucks, then click

- Click **REGISTER FOR A FREE ACCOUNT** (transaction or membership fees apply) and enter the required information.
- Click **FINISH** to complete the initial registration process.

Adding Students to Your Account:

- Once you are logged into your new account, click top where it says Welcome and your name.
- Click **My Students, Click Add Student**.

Select your child's school from the drop-down box.
