We agree to provide high quality curriculum and instruction by certified teachers.

We will make every attempt to respond to parental concerns in a timely fashion.

We will offer on-going staff development opportunities to our professional staff to effectively meet the academic needs of our students.

We will offer *Meet the Teacher Night*, *Parent-Teacher Conferences*, and parent workshops and meetings to provide an opportunity for you to learn about existing curricular initiatives and to discuss ways you can help your child succeed in school.

In addition, we will provide progress reports and report cards to keep parents abreast of their individual child's academic progress and will offer an opportunity for extra help when needed.

We invite parents of children in Title I programs to participate in the planning, reviewing and improving of our program which would include attendance at a SITE meeting and/or the completion of an evaluation questionnaire.
