emergency situations or situations where immediate access to an employee is necessary. The use of such wireless technology is subject to the requirements of the School District's technology and telecommunications practices. By using wireless devices provided by the School District, employees shall be held accountable for the responsible use of such technology.

and rights as set out in this policy.

Purpose

All district-issued cellular phones shall be used for the purpose of supporting the School District's education and business objectives. This policy is intended to facilitate effective School District operations relating to cellular phone usage, encourage the responsible use

School District official.

8. The School District may discontinue cellular phone privileges at any time.

The Superintendent of Schools or his/her designee shall conduct regular cost-benefit analyses to determine whether the current cellular phone usage is advantageous to the School District, as well as whether cellular phone service plans should be changed in order to reduce costs and maximize the benefit to the School District.

Policy on Wireless Device/Radio Use

The School District insists that all employees act responsibly in their jobs so as not to endanger the lives of themselves or others. No telephone communication, business or

personal, is so necessary or urgent that it cannot be postponed or interrupted until such time as the involved person can participate in the phone call without compromising safety. Safe driving is always the first responsibility. The School District actively discourages the use of hand-held cellular phones, and other wireless communication devices, while driving cars, trucks and golf carts both on and off campus, during School District business hours.

Failure to comply with School District policy and regulations for use of the network may result in disciplinary action as well as suspension and/or revocation of computer access privileges.
