

Student Device User Agreement

The East Islip UFSD is providing a computer device to all students and when received, should be the only device students utilize when connecting to learning.

The goals of the student device program include:

- Providing equity to all students through common technological access
- Facilitating students' confidence and proficiency in using technology as a tool to enhance learning
- Promoting opportunities for students to demonstrate the ethics and etiquette necessary with technology use.
- Offering access to all information anytime, anywhere.
- Extending learning opportunities beyond the school day.

Students utilizing the device must follow these East Islip UFSD policies:

- Policy #4526 Computer Network and Internet Access Acceptable Use
- Policy #4527 Acceptable Use Remote Learning

(District policies can be found on the Board of Education page of the East Islip Union Free School website.)

This agreement is made effective upon receipt of a device between The East Islip Union Free School District (EIUFSD), the student receiving a device (Student), and his/her parent(s) or legal guardian (Parent). The Student and Parent(s), in consideration of being provided with a 1:1 device, including adapter, case and software (accessories) for use while a student at EIUFSD, hereby agree as follows:

1. Equipment

1.1. Ownership: EIUFSD retains sole right of possession of the 1:1 device and grants permission to the student to use the 1:1 device according to the guidelines set forth in this document and in accordance with the EIUFSD Computer Network and Internet Access Acceptable Use Policy (#4526) and the East Islip UFSD Responsible (Acceptable) Use of Technology Guidelines. EIUFSD will retain records of the serial numbers of provided equipment. EIUFSD retains the right to collect and/or inspect the device and accessories at any time, including via electronic remote access; and to alter, add, or delete installed software (including the device's operating system), hardware.

1.2. Substitution of Equipment: In the event the 1:1 device is inoperable, EIUFSD has a limited number of spares for use while the 1:1 device is repaired or replaced. This agreement remains in effect during the substitution period.

The student may not install any software or applications on the device which violates the EIUFSD Computer Network and Internet Access Acceptable Use Policy and the East Islip UFSD Responsible (Acceptable) Use of Technology Guidelines.

any school provided or OS software or profiles from the 1:1 device is not permitted. Operating System and Application updates will be run from a central location. Failure to comply will result in disciplinary action.

- 1.4. Optional Insurance: Device insurance is available for parents to purchase through the district for \$40 per device (purchased through MySchoolBucks or checks made payable to East Islip UFSD) should be purchased within 30 days of receiving a device or 30 days into the start of the school year. Refer to Device Protection Plan Information.
- 1.5. Return of equipment: At the end of each school year students are required to return the 1:1 device and all accessories to the school. EIUFSD will charge the Student and Parent for any items not returned. Any items that are damaged will be charged to the Student or Parents as well. Students who leave EIUFSD during the school year must return the 1:1 device and all accessories at the time they are signed out of school.
- 1.6. Technical Support and Repair: EIUFSD will provide technical support, maintenance, and repair during school hours. Any attempt to repair outside of EIUFSD may result in the Student and Parent being charged the full replacement cost of the device or accessories.

2. Legal and Ethical Use Policies

- 2.1. Monitoring: EIUFSD will monitor 1:1 device use using a variety of methods to ensure compliance with applicable policies and this agreement. Any attempt to jailbreak the device or remove the EIUFSD profiles will result in disciplinary action.
- 2.2. Legal and Ethical Use: All aspects of EIUFSD's Computer Network and Internet Access Acceptable Use Policy (#4526) and the East Islip UFSD Responsible (Acceptable) Use of Technology guidelines remain in effect during the use of the 1:1 device. EIUFSD will make every attempt to provide content filtering within the EIUFSD network and outside the network. However, EIUFSD does not have full control of the Internet or incoming email while off campus.
3. File-sharing and Proxy Apps/websites: The installation and/or use of any file-sharing tools or Proxy Apps/websites designed to circumvent filtering software are explicitly prohibited. File-sharing programs and protocols may not be used to facilitate the illegal sharing of copyrighted material (music, video, and images).
