

English Language Arts

The English Language Arts standards focus on:

Determine ideas from details and summarize texts.

Social Studies

The theme for Grade 4 social studies is:

New York State and Local History and Government

Grade 4 Social Studies is focused on New York State and local communities and their change over time, incorporating the study of geography, history, economics, and government. The course is divided into seven key ideas that span the State's history from before the European colonial era to the modern period. The key ideas allow teachers to make connections to present-day New York State and the local community.

Science

Science instruction in Grade 4 is broken down into four units. Each unit focuses on specific scientific concepts by introducing the information and providing students with hands on experience. The units for Fourth Grade are:

Unit 1—Electricity and Magnetism

Unit 2—Animal Adaptations

Unit 3—Simple Machines

Unit 4—Scientific Method
