**Section II - Strategic Technology Planning**

**1. What is the overall district mission?**

Our Mission is for East Islip to be a District of Excellence and to educate students with the skills and knowledge to become exceponal learners and leaders. We will provide a safe and posive learning environment in partnership with our greater community.

- 1. Priority No. 1:
- 2. Priority No. 2:
- 3. Priority No. 3:
- 4. Priority No. 4:
- 5. Priority No. 5:

**2. What is the vision statement that guides instructional technology use in the district?**

Vision

Information technologies will continue to impact teaching, learning, and management. This plan and its proposed initiatives recognize that such a transformation will not be accomplished by focusing exclusively on bringing the technology into existing administrative and instructional practices, or by merely automating existing procedures. Re-conceptualizing teaching, learning, and management activities will be accomplished simultaneously with the implementation of information technology systems. In order to obtain the maximum benefit from new and emerging technologies, we must first envision the type of schools and classrooms we want and need. Students, teachers,

**4. Do you want to list a fourth goal that will drive attainment of the vision?**

Yes

**4a. List Goal #4**

Continue to strengthen, reinforce and expand the network infrastructure to support on-demand access to information. Hardware, software, network connectivity, and cybersecurity protections must support the needs of our students, faculty and staff and include increased mobility through wireless connectivity on an array of devices. The network infrastructure is the foundation of all technology services and solutions, including wired and wireless networks, servers, and storage.

**5. Do you want to list a fifth goal that will drive attainment of the vision?**

No
