1. PURPOSE

The District requests proposals from qualified individuals and accounting firms interested in performing internal audit functions for the District on an amended basis beginning on or after July 1, 2024 with a renewal for up to four (4) additional one year terms upon the approval of the Board of Education. The internal audit function will be performed to ensure that appropriate internal controls are in place and that they are being performed in accordance with the District's policies, procedures, and to follow relevant regulations promulgated by the State Education Department or the Office of the State Comptroller.

2. SCOPE OF SERVICES

The District is soliciting the services of qualified accountants or accounting firms to provide the internal audit function for the District. The internal audit function will be performed to provide an assessment of whether (1) the District's financial policies and procedural controls are effective; (2) the financial policies and procedures are operating as intended and; (3) that all expenditures of School District funds are in accordance with laws, regulations, and District policy. The services shall include, but not be limited to: program audits, economy and efficiency audits, financial related audits and the like, as deemed necessary by the District and the Board. The scope of the work will be determined based on regulations of the Commissioner with regard to the internal audit function as set forth at 8 NYCRR § 170.12(b) and the terms and conditions of this RFP. The internal audit services are to be performed in accordance with the provisions contained in the generally accepted auditing standards for internal audits; the standards for auditing contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, or the standards established by the Institute of Internal Auditors and guidelines promulgated by the Department of Audit and Control and Education Department of the State of New York. It may be necessary to coordinate functions or requests for documentation with the external auditor.

The Internal Auditor should be familiar with the legal requirements of the Internal Audit Function and those associated with purchases in a public school environment. The Internal Auditor must:

- Obtain, read and refer to copies of the external auditor's management letter for the past three (3) years.
 - Obtain, read and refer to copies of the District's current Board policies and regulations relating to District finances, including the District's policy governing quotations and requests for purchases for which bid is not required.
 - Obtain, read, and be familiar with Board of Education decisions by reviewing Board of Education minutes and memoranda.
 - Have experience and knowledge with regard to the following:
